IN THE CLAIMS:

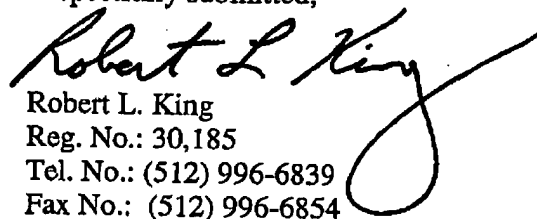

Please cancel claims 26-33.

REMARKS

In an Office Action mailed January 13, 2003, pending claims 1-33 were made the subject of an election. Two distinct species were identified wherein claims 26-33 were directed to a first species and claims 1-26[sic] were directed to a second species. Claim 26 is believed to have been intended to be associated with the first species so that the second species includes claims 1-25. Applicants respectfully elect the species associated with claims 1-25 without traverse. Accordingly, claims 26-33 are cancelled while reserving the right to later file such claims in a divisional application.

Applicants respectfully request consideration of the amendments and the allowance of claims 1-25, thereby placing the application in condition for allowance. Should issues remain that might be subject to resolution through a telephonic interview, the Examiner is requested to telephone the undersigned at (512) 996-6839.
